Pacing

There are 16 sections in this course. Each section is designed to be completed in about one week's time. However, students may take more or less time as needed. A recommended pacing guide is provided within the course.

Exercise Requirements

12 weeks of exercise at 3 hours per week is required for this course. An accelerated course version is available that requires 8 weeks of exercise at 4 hours per week. All fitness logs require at least ONE form of verification, which can be provided by a supervising adult, a MOVband device, or a Polar heart rate monitor.

In addition, students will be asked to participate in a variety of sports, as outlined in the section list above. Students may be asked to complete participation report assignments or skills videos, which require recording one's self via digital video. If there is an issue with these assignments, please contact the instructor to discuss alternative options.

Exercise Library

This course includes complimentary access to Carone Learning's Exercise Library, with pictures, videos, and descriptions of almost 300 exercises. The library is searchable by exercise type, muscle group, or equipment (including resistance bands, weights, exercise balls, or no equipment at all).
